**Introducing NISCARE, tailor-made for female drivers, which prioritises women safety needs and lifestyle.**

Nothing must stop a woman who wants to drive and travel on her own. The idea of owning a car and driving to places is truly empowering especially for a woman. It is not just a great confidence boost but it also gives you a completely different perspective of yourself with many learning opportunities. However, for women driving alone, it is not always safe as women tend to face greater risks and hazards on the road. For example, traffic accidents and mechanical issues and also the possibility of being followed or attacked when on their own. Whether you are going on a solo trip or driving late from work, you need to be alert to stay safe. Worry-free and reap the benefits from Women+ NISCARE.

**Women+ NISCARE *with 19 benefits***  
including 24/7 Roadside Assist, Flood Relief Allowance,  
Window Snatch Theft, and Key Care.
